RE: Annual Campus Crime Report
DATE: October 1, 2009

On the second page of this memo, please find our annual Campus Crime Report. The Security Department with CMC-NorthEast is responsible for preparing this report. The trending data is from 2005-2008 (because we collect data from the previous year and file our report each October in keeping with federal requirements).

You may access the official report at <http://ope.ed.gov/security>. Access the tab on the right, *Get data from one institution* then go to the institution field and enter Cabarrus College of Health Sciences.

As our statistical data suggests, Cabarrus College of Health Sciences continues to be a safe, secure place to learn. Thank you for wearing your ID badge, following our policies and procedures and being good citizens of our community in reporting issues of concern.

The Security Department with CMC-NorthEast continues to offer 24-hour, seven days a week assistance. Emergency phones are located in the parking lots of the College and Medical Center campuses. We also have emergency phones located at the front entrance and by the exit door at the Lake Concord stair exit.

You may also call 704-403-1192 to reach Security from an external phone, such as your cell or just dial 6-6595 from any campus phone for immediate assistance.

Should you have questions or concerns, or would like a copy of the comprehensive report, please call Angela Ferguson 704-403-1614 or email her at aferguson@cabarruscollege.edu

Note: The US Department of Education is committed to assisting schools in providing students nationwide a safe environment in which to learn and to keep students, parents and employees well informed about campus security. These goals were advanced by the Crime Awareness and Campus Security Act of 1990. The Department is committed to ensuring that postsecondary institutions are in full compliance with that Act, and enforcement of the Act is a priority of the Department.
